

I shall never forget you, for what you have done for me.

And my prayer will be, that God will bless your work, and give you power to perform many more miracles. And I will pray each day for you & for your intentions.

I have "The Sacred Heart Badge," you sent me, in a silk cover, bound in red satin, and red satin ties on it. What shall I do with it?

Shall I keep it?

Or is it good for any other cure?

Please let me know what I will do with it.

Thanking you again for that wonderful miracle.

I beg to remain,

My name & address is;-
