Dear Brother:

I received your very kind and welcome letter this morning and certainly was glad to hear from you. And Oh! Brother, how can I ever thank you for what you have done? And let me thank you for those two wonderful Sacred Heart Badges. I realize, Brother, the fasting, prayer and penance you go through to perform such wonderful miracles. Money never could repay you and I cannot thank you enough. So I will pray for you and your good works.

Now, Brother, I am going to ask a favor of you. If you have a picture of yourself please send me one. I want to frame it, and to show people the Brother that cured me, and I will consider it a great honor to have such a saintly one's picture in my possession. Let me know what the postage is and I will pay it, anything to have your picture, Brother.

Yes Brother, my doctor bills are very heavy. But there is one doctor for whom I want you to pray. He is our family doctor and his bill was very high. He has been very good to me and canceled my bill. When I went to make him a payment he said, "I don't want any money from you, you have enough other bills." This was very kind of him. He is a non-Catholic, he told me after my arm was cured. He believed in the Catholic religion and Confession was the only thing that held him back from becoming a Catholic. He is a good man in every way. So Brother, pray that "God will enlighten him and show him the way to the True Church." And if he becomes a Catholic I will write you at once.

The priest that got the Badge from you was Father O'Donnell. Let me again express my thanks to you, Brother, for your kindness.

Hoping to hear from you real soon and that you will grant my wish of having your picture, Brother, I am,

Velma Agnes Gorman.

(P.S.) With the help of God, I will remain always a good Catholic.
