Dear Brother Columbia

having heard of a number

who have been asking your
prayers I felt I would like
to ask you to pray for me.

I am having kidney trouble
and will you please ask our
Lord and his Blessed Mother

for the recovery of my health
if it is God's Holy will that

I may be spared to my family
I am asking you to keep a record

enclosed find 5⁰⁰ donation
for your kindness with
I feel sure you will not
refuse to pray for me
please let me know about
the light

light burning on the Blessed
Mother's altar for me. I will
send 5. dollars each month
~~off~~ for its upkeep and let
you know when you can
discontinue it now if you
can not do this conveniently just
let me know. for a few years
I have kept a red light burning
before a statue of the scared heart
in my home and it is such comfort
to us I thought I would like to
have it there my only regret is
I am sorry I did not start this
beautiful practice years ago.
sincerely Mrs Thos Rath
