Brother Columbus,

Dear Brother:-

I rec'd
your very kind and welcome
letter this morning, and certainly
was glad to hear from you.
And Oh! Brother, how can I ever
thank you for what you have done.
And let me thank you for those
two wonderful Sacred Heart Badges.
I realize Brother, the fasting,
prayer, and penance you go through
to perform such wonderful miracles.
Money never could repay you & I
cannot thank you enough, so
I will pray for you & your good
works.
Now Brother I am going (over)

#2.

to ask a favor of you.

If you have a picture of yourself
Please send me one.

I want to frame it, and to show
people, the Brother that cured me.
And I will consider it a great
honor to have such a saintly ones
picture in my possession.

Let me know what the postage is
and I'll pay it, anything to have
your picture Brother.

Yes Brother my Dr. bills are very
heavy.

But there is one Dr. for whom I
want you to pray for.

He is our family Dr. and his bill
was very high, he has been very
good to me.

And he canceled my bill.

#3.

When I went to make him a
payment he said, "I don't want
any money from you, you have
enough other bills."

This was very kind of him.

He is a Non-Catholic, he told me
after my arm was cured, he
believed in the Catholic religion
and Confession was the only thing
that held him back from becoming
a Catholic.

He is a good man in every way.
So Brother pray that, "God will
enlighten him & show him the way
to the true Church."

And if he becomes a Catholic, I'll
write you at once.

The Priest that got the Badge from
you was Father O'Donnell.
